HOLIDAY DINNER
MONDAY, DECEMBER 5, 2011
7:00 PM - Winder Woman's Club

Often, Europeans and American liberals ask why American conservatives have so little respect for the United Nations. Next time they ask, you could tell them this: North Korea is chairing the Conference on Disarmament. If that's not good enough, you could add this: Iran is a member of the Commission on the Status of Women. That should answer their question.

Secretary of Defense Leon Panetta is recommending keeping only about 3,000 troops in Iraq after this year. He’s contradicting the senior U.S. commander on the ground, who wants roughly five times that. Panetta’s rump force would be good for little except protecting itself, although even that is doubtful. We would kiss goodbye to counterterrorism and keeping a lid on Arab-Kurdish tensions. Every malign force still competing for Iraq’s future, including the Iranians, must be pleased. After all the years and blood and treasure, we are preparing simply to quit. Disgraceful. (*National Review*)

FROM THE CHAIR

Our annual Holiday Dinner is scheduled for Monday, **December 5, 2011**, at **7:00 PM** in the Winder Woman’s club. The cost will be \$ 8.00 per person. Our guest speaker will be Public Service Commissioner Tim Echols. Please let us know that you will attend and pay on **December 5** as soon as possible! We appreciate your help on this! Please make plans to attend for a great time!

Congratulations to Auburn Mayor Linda Blechinger for being named the winner of the 2011 Women In Municipal Government Leadership Award!

Many thanks to our Barrow 100 and Barrow 360 supporters for 2011. We deeply appreciate your contribution to our efforts.

If you want to get a jump on things for next year, we are now accepting 2012 membership renewals and new memberships. You can bring them to the Holiday Dinner, our next monthly meeting, or mail them to our P.O. Box 1054, Winder, GA, 30680-1054. Thanks for your continued support!

Voting members of the County Committee are reminded that their dues must be paid by **March 31, 2012** to continue to have voting privileges next year.

We had a great meeting last month with good attendance. 10th District GOP Chairman Brian Burdette addressed our group about District plans/activities. (10th District Rep. Paul Broun could not attend.) State Rep. Doug McKillip of Athens addressed the group. He is running for election in the new State House District 117. An operations spending resolution for January through August 2012 was passed. Bob Lanham was elected as the new Asst. Treasurer, and Deb Golder was elected to a position on the Barrow County Board of Elections and Registration to fill the last year of Kathy Garrett’s term. We appreciate Kathy’s service to the Party. The U.S. Dept. of Education resolution passed with unanimous consent.

Our next regular monthly meeting will be Monday, **January 16, 2012** at 7:30 PM in the Winder Woman’s Club. I am going to try and schedule one of the candidates for the new 10th U.S. District. (Rep. Paul Broun is tentatively set for **February 20**.) We will be covering information concerning our precinct meetings and county convention on **March 10**. It will be worth your time. Make plans now to attend. Be early for a good seat.

Thank you for your support of our conservative principles, efforts, and freedom. Merry Christmas and Happy New Year to you all! Rest up. We’re going to be busy in 2012.

Ken Young

KWANZAA IS FOR WHITE LIBERALS, NOT BLACKS

Ann Coulter, *Human Events*, January 7, 2008

Is it just me, or does Kwanzaa seem to come earlier and earlier each year? The same goes for the Iowa caucuses – the early scheduling of which has forced me to run attacks on a synthetic candidate, rather than a synthetic holiday.

I've seen so few mentions of Kwanzaa this year, I was going to declare my campaign a success, but I see that President Bush issued another absurd Kwanzaa message this year, referring to millions of African-Americans gathering to celebrate Kwanzaa.

I believe more African-Americans spent this season reflecting on the birth of Christ than some phony non-Christian holiday invented a few decades ago by an FBI stooge. Kwanzaa is a holiday for white liberals, not blacks.

Kwanzaa was invented in 1966 by a black radical FBI stooge, Ron Karenga, aka Dr. Maulana Karenga. Karenga was a founder of United Slaves, a violent nationalist rival to the Black Panthers and a dupe of the FBI. In what was probably ultimately a foolish gamble, during the madness of the 60s, the FBI encouraged the most extreme black nationalist organizations in order to discredit and split the left – the more preposterous the organization, the better. Using that criterion, Karenga's United Slaves was perfect. In the annals of the American 60s, Karenga was the Father Gapon, stooge of the czarist police.

Despite modern perceptions that blend all the black activists of the 60s, the Black Panthers did not hate whites. They did not seek armed revolution. Those were the precepts of Karenga's United Slaves. United Slaves were proto-fascists, walking around in dashikis, gunning down Black Panthers and adopting invented "African" names. (That was a big help to the black community: How many boys named "Jamal" currently sit on death row?)

Whether Karenga was a willing dupe, or just a dupe, remains unclear. Curiously, in a 1995 interview with *Ethnic News-Watch*, Karenga matter-of-factly explained that the forces out to get O.J. Simpson for the "framed" murder of two whites included "the FBI, the CIA, the State Department, Interpol, the Chicago Police Department" and so on. Karenga should know about FBI infiltration. (He further noted that the evidence against O.J. "was not strong enough to prohibit or eliminate unreasonable doubt" – an interesting standard of proof.)

In the category of the-gentleman-doth-protest-too-much, back in the 70s, Karenga was quick to criticize rumors that black radicals were government-supported. When Nigerian newspapers claimed that some American black radicals were CIA operatives, Karenga publicly denounced the idea, saying, "Africans must stop generalizing about the loyalties and motives of Afro-Americans, including the widespread suspicion of black Americans being CIA agents."

Now we know that the FBI fueled the bloody rivalry between the Panthers and United Slaves. In one barbarous outburst, Karenga's United Slaves shot to death Black Panthers Al "Bunchy" Carter and Deputy Minister John Huggins on the UCLA campus. Karenga himself served time, a useful stepping-stone for his current position as a black studies professor at California State University at Long Beach.

Kwanzaa Carols

*Kwanzaa bells, dashikis sell
Whitey has to pay;
Burning, shooting, oh what fun
On this made-up holiday!*

Kwanzaa itself is a lunatic blend of schmaltzy 60s rhetoric, black racism and Marxism. Indeed, the seven "principles" of Kwanzaa praise collectivism in every possible arena of life – economics, work, personality, even litter removal. ("Kuumba: Everyone should strive to improve the community and make it more beautiful.") It takes a village to raise a police snitch.

When Karenga was asked to distinguish Kawaida, the philosophy underlying Kwanzaa, from "classical Marxism," he essentially explained that under Kawaida, we also hate whites. While taking the "best of early Chinese and Cuban socialism" – which one assumes would exclude the forced abortions, imprisonment of homosexuals and forced labor – Kawaida practitioners believe one's racial identity "determines life conditions, life chances and self-understanding." There's an inclusive philosophy for you.

Coincidentally, the seven principles of Kwanzaa are the very same seven principles of the Symbionese Liberation Army, another charming invention of the Worst Generation. In 1974, Patricia Hearst, kidnap victim-cum-SLA revolutionary, posed next to the banner of her alleged captors, a seven-headed cobra. Each snake head stood for one of the SLA's revolutionary principles: Umoja, Kujichagulia, Ujima, Ujamaa, Nia, Kuumba, and Imani – the exact same seven "principles" of Kwanzaa.

With his Kwanzaa greetings, President Bush is saluting the intellectual sibling of the Symbionese Liberation Army, killer of housewives and police. He is saluting the founder of United Slaves, who were such lunatics that they shot Panthers for not being sufficiently insane – all with the FBI as their covert ally.

It's as if David Duke invented a holiday called "Anglika," and the President of the United States issued a presidential proclamation honoring the synthetic, racist holiday. People might well stand up and take notice if that happened.

Kwanzaa was the result of a 60s psychosis grafted onto the black community. Liberals have become so mesmerized by multicultural nonsense that they have forgotten the real history of Kwanzaa and Karenga's United Slaves – the violence, the Marxism, the insanity. Most absurdly, for leftists anyway, is that they have forgotten the FBI's tacit encouragement of this murderous black nationalist cult founded by the father of Kwanzaa.

Now the "holiday" concocted by an FBI dupe is honored in a presidential proclamation and public schools across the nation. In Oregon public schools this year, Kwanzaa – but not Christmas – appeared on the official calendar.

Bush called Kwanzaa a holiday that promotes "unity" and "faith." Faith in what – liberals' unbounded capacity to respect any faith but Christianity?

A movement that started approximately 2,000 years before Kwanzaa leaps well beyond mere "unity" and "faith" to proclaim that we are all equal before God. "There is neither Jew nor Greek, slave nor free, male nor female, for you are all one in Christ Jesus" (Galatians 3:28). It was practitioners of that faith who were at the forefront of the abolitionists and civil rights movements. But that's all been washed down the memory hole, along with the true origins of Kwanzaa.
