**PROPOSED RESOLUTION TO BE CONSIDERED
AT OUR JUNE 17, 2013 MONTHLY MEETING**

**TO AMEND THE CURRENT
FAIR TAX PROPOSAL**

WHEREAS, the Fair Tax Act of 2013, H.R. 25 introduced in the U.S. House of Representatives to replace the federal income tax with a national consumption sales tax, shall take effect January 1, 2015 [Sec. 104 (d)], if passed and signed by the President; and

WHEREAS, H.R. 25 [Sec. 2 (f)] recommends repeal of the 16th Amendment (federal income tax) to the U.S. Constitution, however, its passage can not repeal the Amendment; and

WHEREAS, if the 16th Amendment is not repealed during the designated 7-year period, H.R. 25 states that the Fair Tax ends; and

WHEREAS, H.R. 25 allows the possibility of the Fair Tax and a new federal income tax during the 7-year period; and

WHEREAS, Joint Resolution H.J.R. 16 has been introduced in Congress proposing a new Amendment to the U.S. Constitution to repeal the 16th Amendment;

NOW, THEREFORE, BE IT RESOLVED, that the County Committee of the Barrow County Republican Party calls on our Republican Congressmen to revise H.R. 25, Sec. 104 and Title IV, Sec. 401;

FURTHER, BE IT RESOLVED, that the Fair Tax will begin on January 1 of the year following the year in which the 16th Amendment to the U.S. Constitution is repealed by the states, and not before the 16th Amendment is repealed.

Respectfully submitted for consideration by the County Committee of the Barrow County Republican Party in Winder, Georgia.

“Thrown up by the Arab Spring to be president of Egypt, Mohamed Morsi was an unknown quantity. Though a lifelong member of the extremist Muslim Brotherhood, he had spent many years in the United States, and two of his children are American nationals. Optimists hoped the latter facts would overcome the former. It turns out, though, that in a video from 2010 Morsi urged Egyptians to nurse their children and grandchildren on hatred for Jews and Zionists, and in a television interview he went on to describe them as ‘the descendants of apes and pigs.’ Since the slur is a quotation from the Koran, a Muslim Brother takes it literally, not metaphorically. Confronted, Morsi used the tried and tested excuse that his words had been taken out of context. When he spoke of Jews in this derogatory way, he explained as though it were self-evident, he meant only Zionists.” (*National Review*)

“The academic honors are raining down on Kathy Boudin. The Weather Underground terrorist, who already has an adjunct professorship at the Columbia School of Social Work, was named by New York University Law School as Rose Sheinberg Scholar in Residence (for ‘working on cutting-edge issues of gender, race and class’). Boudin knows about cutting edges. In 1981 she drove the getaway car in the hold-up of a Brink’s truck in which two police officers, Sergeant Edward O’Grady and Officer Waverly Brown, and one guard, Peter Paige, were gunned to death. After a decade on the lam, Boudin served 22 years in jail. She never truly repented for her role in these murders (she says she wrote letters of apology to the families of her victims but never mailed them). Yet none of that matters to an academic establishment that’s still starry-eyed about 1960s radicals.” (*National Review*)
